DEADLINE TO BUY SQUARES MARCH 18TH at 12pm EST

Each square on a 10x10 board will be sold for \$20 generating a total of \$2000 per board. This is a 50/50 fundraiser with half of the cash going to the Lakewood Softball Program and the rest to winner payouts!

After all the squares on a board have all been sold, the numbers will be RANDOMLY assigned 0-9 across the top and side. The same numbers will be used for ALL GAMES in the tournament starting March 19. (Rounds 2 through the National Championship. The 4 "First Four" games will not be used.)

The last digits of the final score of each team of each game will be used to determine the winning squares. The numbers across the **top of the grid will represent the WINNING Teams**. The numbers **down the left side of the grid will represent the LOSING Teams**.

This format makes it possible to win multiple games with the same numbers!
